IMPACTS Streamer S270e

STREAMER S270e

The S270E Streamer Shot Blaster is the perfect size machine for aggressive and brush blasting of 20,000 sq. ft. projects or less. Its size and weight make it very easy to transport to and from the job site. This is the perfect machine for the coatings contractors that prefer to handle their floor preparation themselves or for the surface preparation contractors that finds their niche in projects averaging 20,000 sq. ft. or less.

Recommended vacuum:
IMPACTS Dustcom 3003GP
